

**Azar to Rose 8.01.08**

*Hi honey,*

*Sure you can make a picture of me with this power that you saw and felt. Of course, I can't guarantee that this power would be visible/feelable on the photo – especially not because often somehow only my form appears on the photo and not 'my' Force Beyond. But we can have some photo sessions to see if we can get 'it' on.*

*I feel I 'have to' take you in these attractive energetic (spiritual) worlds, including the one of powerful Energy like this SriSri-related one. If I don't take you there, you cannot touch – or let be triggered – all attractions that Woman has inside, hidden in Her Darkness as long as they didn't come to the surface... You have to Actually Live them, Experience them (in Relation to and Embedded in) My Consciousness).*

*If I wouldn't Do this, I cannot Show you MySelf, Being Beyond all attractions – but not separate from them either – and in principle even able to show these attractions through my own form. I'm Waiting (for and as you) at the End of the line.*

*All attractions are illusions in the end, but first they have to be Consciously-Bodily Associated with. If Consciousness is again and again – or Already (all the time) – Allowed they sooner or later are Ready to Sink Back (or Forward) into Truth, That is: into the Whole, Wherein any clinging to or longing for any (kind of) attractiveness is Eventually Seen through to be a Lie, since it inherently, inevitably means other things (out of the Same Whole Reality) are repulsed, not wanted (for example and here: weakness or weak energy) and a tension is created by this (which is weakening, in fact, even when this (weakening) can be noticed only later usually, if at all).*

*You surely have 'something' with nice energies in whatever powerful or other form – this being not wrong at all and very human but not Ultimately (Your) Truth; they, in the end, if you would cling to them, keep you (karmically) bound, unfree, a slave (of a certain part of Reality), instead of Being the Whole Reality (as Me). You're more attracted to energies, nice sensations (like food, touch, sex, spiritual energies, energetic force), just like Samaya for example is more attracted to Consciousness. Both attractions/preferences sooner or later, when the one-sidedness of it has been Lived through and Seen, will Return or be Transcended into the Whole, into He-She, or Consciousness-Energy.*

*To most people a life without attractions looks (very) boring; they are constantly motivated by their karma, their unFelt Pain (that is: unWholeness). I can only say, for I Know (and You Know) I am not boring. Life Itself – or: Living Fully, Whole-Heartedly and Whole-Bodily, on (and as) all Levels of Life, not excluding anything, not craving for anything – is not boring at all. It is the Power Beyond all powers.*

*Still and in spite of all this, I'm happy you saw and felt this power in me. We will surely meet it again. I'm happy you're so Open – even if it's tough now and then, if with this same Openness, you and thus I meet difficult things/people/karma, like this (Tuesday) afternoon: I had to lie on the couch, felt totally deadened and especially numbed, some thick layer of dirt/mist was there that I had to plough through if I still wanted to do something, to*

*work. Simply reading words hurt and was an impossible job and I had to quit and lie down. I didn't want to call you yet on your first day of your new job. Only from ± 5 o'clock on it got much better suddenly and I had lot of energy to work and so I did.*

*(Monday-afternoon you probably got the pains after I Meditated through some stuff. We're always in Contact).*

*Good to read you don't need an excuse anymore for your truth. It's just what it is. Excuses only dirt the truth.*

*Power of Love,  
Azar*

*PS. How was it at your parents'?*

*PS2. I have taken over your eating-tendencies (for example eating without hunger, just because of the nice sensation; eating-tendency 'even' in between meals now). That's a good sign. Then I can Go through it Whole-Bodily and sooner or later (and in Fact even Immediately) I'll Radiate Back the Truth about it and it will reach you and something will happen in you then.*

As I touched upon in my letter to her, I consider it valuable for Rose, sooner or later, to come into contact with the energies and states of consciousness of different masters – if only because without experiencing and fathoming all levels of Consciousness, Man and Woman cannot Truthfully Be One. Apart from that, it can broaden Rose's outlook and stimulate her spiritual development. However, this does not mean that she needs to disappear into a particular Energy – although this, disappearing into it or not, is indeed, as Samaya points out, one of the important tests for Rose, and its outcome is ultimately not up to me. Still, I also have my role to 'play' (a poorly chosen word, let's say 'fulfil') and before Rose disappears too much into Sri Sri's energy, I try to keep her 'on track' (of the Deeper Truth). When she is alone, she drowns in all energies – not just those of different masters and teachers. She has already started reading a few pieces of my future book 'Man and Woman'. And I am now sending her a chapter that I feel could be useful at this time in her inner development process.

### **Woman's Process is to Learn, See, that the whole Male attractiveness is not Him, not what She Truly Loves and even Is**

For a lot of Woman-forms a Man-form who seems to have a lot of knowledge (about a specific subject or about the world in general, or 'even' about the spiritual planes) 'is' interesting, attractive. They – imprisoned in the world of (subtle and gross) forms – confuse knowledge (which cannot see further than forms) however with Consciousness (Which is Beyond any form). It is a (presumably) safe kind of attraction. By following this attraction They seem to fulfil at least a bit their unconscious but Deep and Strong desire for Consciousness while not having to bear the pain, the discomfort, the uncertainty, unsafety or even danger, the abyss of Real Consciousness. A brave, Really (or: Heart-)Intelligent Woman-form won't make this 'mistake', won't fool Herself with a surrogate, phony, form of the Real Male Force, Formless Consciousness Itself.

But, not only knowledge, all attractiveness in, of Man(-form) – like safety, wealth, physical strength or beauty, sexual potency, good father, power and status, humour, friendship, listening ear, spiritual skills or potency, peace and even consciousness that is not Fully or maybe even hardly Connected and Connecting to earth, to Woman, to forms, to the world of energy – sooner or later will be Overcome by Woman, all but the Divine Male Attraction Itself: Consciousness...

Other attractions are all (earthly) distractions that function to sustain or even reinforce separation, duality, not-Oneness, (the chain of) Suffering thus. (Normally) these attractions have to be lived by Woman. She Has to get (really) Frustrated in them, and, by that, to totally See that this (the fulfilment of the promise of the attraction) was not What She really Wanted (and still Wants and cannot stop Wanting). So in the End only (Pure) Consciousness Itself Attracts Her, by Divine Nature, Beyond any personal (egoic) attractiveness. And Finally She can and does Recognize Her (True) Beloved. And She will Marry Him... for good.

Only the very few Woman-forms who were and are Intelligent: True to their Heart (that means at least They never really believed that which seemed to be normal, to be true, They never *really* mistook the Male attractions for the Truth, for the Real Attraction) can go relatively (or even very) fast through the morasses of all earthly Male attractions – and do not have to stand still at and find out about all (possible) seducing stations on Their way to the Only Station, Home, to Consciousness Itself, the Force Beyond all of this That Makes Woman-forms (in their own tempo) Ready for Itself, for Surrendering to the Truth Shining Through and Beyond the apparent, for Surrendering to the Pure Male Force.

Woman, by Herself, can do nothing. It is that hard for Woman-Ego, yes. If She does not, refuses to, Let Her (life) be Ruled by the Natural Attraction to the Male Force She is lost (which She does not or hardly recognize then because of Lack of the same Male Conscious Force), She cannot make Real Progress in Her in Itself Natural Spiritual Development, She cannot be Truly Fulfilled. Only Oneness is Fulfilling, the 'Place', State Beyond all states,

Wherein and Whereas no fulfilment is needed. Oneness is there only if the Male and Female Force Meet and Melt and Explode into Each Other, if all duality is ‘gone’ (or: if its binding force has Been Outshone by the One), if Man Sacrificed (His from Woman apparent separateness as) Man (and by That is Now Fully, Truly, Whole-Heartedly, Whole-Bodily Man), Woman (Her apparent separateness from Man as) Woman and, by This, is Fully, Truly Whole-Heartedly, Whole-Bodily Woman.

Woman is to See, one by one (and Deep(er) and Truly), that and why she is attracted to a (specific) Man-form – and, in many cases, to (being with) any Man-form (being better than none). True Whole-Hearted Seeing is a (Divine) Sacrifice – for True Seeing means the attractiveness will stop existing, even immediately. In practice maybe She is (bound) to meet, see the same kind, topic, area of (and in Fact Her Own) seduction several times (to say the least) before She Totally, Non-separatively, Whole-Heartedly Sees and the attraction Falls away by Nature, by Itself, Melts in the Source, is Recognized as a distraction, just a form of and yet trying to escape from the Source, from Him Who He Is. In the end this seduction is always about the same (delusion): to (want to) see Him as (a) form, subtle or gross or both.

One thing not mentioned so far (and of a supposedly other, general kind, but always present in the background) is Her (Egoic and in fact ‘negative’) attraction (actually a denying of the One True Attraction) that is felt to (a) Man(-form) (and coming at all into existence) out of not wanting to feel Her own Pain, the Pain of Her Unconsciousness, the Pain of not being able to (or let’s say, not wanting, out of fear resisting, to) Love, not wanting to be Vulnerable which drives Her in the arms of a Man-form who can (and is insensitive enough to) ‘protect’ Her against Feeling; or to (a) Man(-form) who seems to need Her, so She ‘safely’ doesn’t have to Look at Herself – in general: attraction to (a) Man(-form) who is (in whatever way) Weak, (that is:) not able to Really Connect to (and Truly Embrace) Her Whole-Heartedly, not able, thus, to Make Her, or Give, Grant Her the (Divine) Opportunity to Get Conscious of Herself (as Woman) and, thus, to (in all Vulnerability and Love) Finally Disappear as a separate person, a separate being, as a specific Woman-form, in(to) the Divine, in(to) the Woman-Principle, Living Consciously Her Divine (Woman-)Role as (Part of) Him.

In principle, if Woman-forms would Take all this Seriously, that is: if She would be Finally Fed up with Her Own eternal games and detours, Fed up with Her Own Darkness, Allowing Her Deep Longing for (His) Light to Take Over, then They would very often reject Man-forms and many would stay alone (as long as Necessary). It’s not so easy to stay alone however (and in the conscious pain of separation) not, never (acting as if) bowing for a weak(er) form of Man that cannot Truly Give the Sparkle of Light, the Fire (of (Connected, Non-Separate or in Her Surrendered) Consciousness) to ‘Make’ Woman Conscious. There is a big chance and Eventually it is even for sure that This Divinely ‘Stubborn’, Intelligent Woman (Who is aware (enough) of the earthly suffering of trying to find It in (Male) forms) will surely sooner or later find a (Male) (Heart-)Master (whether or not publicly Functioning as such), a Representative of the Divine (Consciousness) and in the Best Case the Divine (Consciousness) Himself.

Finding, Meeting Him is the (Only Real) Blessing, the End of suffering at random. Meeting the True Heart Master the True Suffering Beyond the many apparent dramas, pains,

problems, confusions, heart-attacks, will Become (Totally) Clear: being not (Totally and all the time) One with Him. Only the Final Oneness (of Man and Woman, of all Duality) will still be the (One and Only) Attraction (left) for the Intelligent Woman. Becoming (more and more, Deeper and Deeper, again and again) aware of Her True Suffering (of separation from the Beloved) She (Her whole ego) will be Transcended (into Consciousness). Her Natural, Divinely Given Love for Him Does all the Work. By This She will Allow His Consciousness to Take Her (even Completely) over. Only His Consciousness (His Conscious Love for Her) can Transcend Her love into (Conscious) Pure Love, or: only in Allowing the Inherently Painful Process of Allowing His Consciousness to Shine Its Burning Light upon all Her forms, all Her (earthly and spiritual) bonds, (all) these forms will Melt, Be Un-formed in Love, and She will Be Freed in Purity, (Live Forever) in His Love (That She Became or Realized to Be Herself).

Woman's Process is, thus, to learn what She does not (truly) Want and by that to Learn What She does Want, That Which Remains after all Male attractiveness fell away, was Lived Whole-Heartedly the pain of – the Pure Male Force, Consciousness Itself. This Process Goes right through and with Man, not (in any way) separate from Him.

Woman-form possibly (but surely not Necessarily) only later in Her life, after children and so, gets interested in the True Man. First She 'wants to' or 'must' taste, try to 'enjoy' what Man has to offer Her in the world of forms, whatever forms. Later She feels better (or is becoming honest in the fact) that She is not (and never was) satisfied with this, with the crumbs He offered Her. Her Longing for the Conscious or Truly Wise, Seeing Man grows, un- or half-consciously – or hardly slow even, if She's very stubborn to (Truly) Learn, very afraid to let go of Her form(-consciousness), very unFaithful to Her Own Truth, to Him.

The question about the extent to which (for This Inevitable Learning) She has to meet Man-forms of flesh and blood and to which She will be 'intimate' – as far as it goes – with these, is not one with a simple answer. It depends on the Intelligence of the Woman-form, That is Her (Recognized) Love for the Pure Male Force, Which Determines the speed with which She Allows this Intelligence in real life, when she starts to meet Man-forms and starts to find out about all the trouble connected to this (attempt to Meet) on earth, beyond the romance-dream. It depends on the Faithfulness to Her Heart, to Her True Beloved, Her 'Stubbornness' to Only Respect Him and not a caricature of Him, the extent to which She Allows Her Courage to (again and again) Allow the Pain of (again and again) not Being Truly One – maybe soon already Deeply, maybe hardly, maybe not at all – Her Courage to Say No to Him (if indeed She Recognizes, Feels He is not the Real Light She is Longing for), in specific moments and (then) even at all, the Intelligent Courage not to Give Up Her Divine Dream of the One True Lover in case She totally goes for It and still cannot find Him here on earth in a Male body, to not (try to) be satisfied with anything less than Her One Final Truth.

Without Using Him, His Force, Already, all this is not Possible for Her. But (Recognition of) Her Never-ending or -endable Love for Him Allows This, Allows Her to Have and Keep Courage, Trust not to bow for that which (or that one who) cannot Fill Her Heart or in Fact 'Make' Her (See that She is) One – even if (indeed) She is not and cannot be (Truly) Conscious of It yet.

The Only True Attraction is to Him Himself, He Who Lights Her Darkness, He Who triggers all the Ego-worms to arise from the hidden Depth and put their head above the surface to be Cut Off by His Sword of Truth, He Who never Makes any bloody compromise with Her Ego and thus can Free Her of Her deeply hidden Burden, of Her Blindness, all Her sorrows thus, all Her self-centered pain.

The Divine Whole Man Sacrifices (all) His attractiveness to make this possible, all what Woman – as long as Her Ego is not Fully Seen (through) – is attracted to: all His forms or Male qualities separated, put apart from His Wholeness). He Sacrifices these things in His Love for Her, for Whom She Truly Is, and He Humbly Meditates Her Pain instead of being the hero. He doesn't Sacrifice His for Her attractive forms and qualities intentionally, as part of a plan. It Happens Already as a Mirror-Function enabling Him to Show Her Her Truth, His Being Formless, Truth Beyond any possible quality.

It is not that because Rose had her starting point in this life in Unconsciousness, she would therefore understand little to nothing of this chapter and in general of such a text written in full Consciousness. In her own terms, 'it works through in me, even if the penny doesn't drop immediately' – even though she said this in another context, when any of the three of us says something directly to her. Though certainly the content of this text, as well as the uncompromising manner of writing, undoubtedly evokes resistance in Rose, this does not say that I am then better off withholding it from her – unless I were to become attached to her physical receptivity to me as a Man (even though the Physical Reception of the Man by the Woman too is Embedded in a Divine Origin), which cannot be the case, since I have Seen at the Deepest Level the Inevitability of the Duality of Life Directly and cannot go back into any illusion or dream. The body sooner or later, or actually already now, decays constantly. There is no point holding on to anything, if you see that everything is *changeable*, everything is born in *pain*, and everything is *non-self* in the end (as the three Buddhist truths (dharma's) rightly show).

The resistance a text like this evokes in Rose cannot be underestimated. But sooner or later she will have to face the Truth – or, of her own accord, go. Of course, I know full well that a woman like Rose will not simply abandon all the attractions she sees in a man. Then, paradoxically, she would be at the mercy of Man – of Man Himself, not men, Man-forms. And the Female Force, after all, wants to rule. She watches over woman, She wants to secretly admire and worship the Male Force (His Consciousness), but not (too) Openly, not to be at the mercy of It.
