

21-2-2008 18.47 Rose to Azar

Thank you Azar!!! I don't know how to thank you, but I am so happy that you make me see! I'm so happy with your eyes, I'm so happy!!!!!!!!!!!!!!

Words expressed show just a small part of someone, of where and how he or she is. I'm not deluded by the gratitude, nor by any compliment I could get from anyone – which doesn't mean that, in itself, it couldn't be or wouldn't be totally sincere, nor does it mean that I wouldn't appreciate it.

So, feeling Rose as a whole, I answer to another part in Rose, one she doesn't show. As so many, Rose prefers Development in Consciousness, which is regarded endlessly safer than True Development in Manifesting Love on an Earthly Level. What to do, most people are compartmentalized – through small and bigger unresolved traumas, because of fear, through simple resonance with their environment in which people are compartmentalized too, due to lack of drive to whole-heartedly and whole-bodily investigate the truth (that would unify them and make them vulnerable), to lack of fire to burn through the walls between the different walls of the compartments, intentionally or unfortunately not meeting the 'right' people, and so on.

Azar to Rose, Friday, 22.02.08

Rose,

All right then, be a hermit for some days, meditate, feel, love, cry, whatever.

As Man I'm getting fed up with your duality, your resistance to me on one level and openness on another (Deeper). I, as Man, Manifesting my Consciousness, cannot only Go for the Deepest Level (of Oneness). It also needs to Happen practically. So for now I 'prefer' to feel my Man's Pain of Woman's sneaky Resistance to (Surrendering to Her Love for) Man. Maybe, through this feeling-meditation, you'll get more Clarity in it, maybe not. We'll see, in some days.*

For now I don't like it anymore, your games, not saying what you want/Feel, being so self-obsessed as soon as something Pure, True, wants to manifest, break through, be Given, to cut it off immediately and go to the mind. It's an insult for my ('and' your own) Heart more and more. Be alone then in your Duality. Feel what you do (or do not). Your suppression of the Life-Force exhausts me more and more. If you want to keep your Love 'in' for the rest of your life, do it, save it, be careful with it – or share it with a woman how much you love. It seems you have no idea how painful and weakening this is for Man, this always withholding of your love. Why do you think men get ugly after a while of being with you? Man's Function is in the 1st place connected with Consciousness, Woman's with

Energy-Love. You 'must' Learn to Be Responsible, Responsible by Heart, not by mind. Mind is irresponsibility.

(Big chance I wouldn't have left Tuesday-evening if you would have let your love just be, stream, freely radiate and Respect it).

Call me Monday-evening or so, if you want, or Tuesday, or next week, whatever.

Tired Azar

** By the way, there is nothing wrong with your Duality, with Life's Duality, nor with Man's growing being 'fed up' with it. At the Deepest Level, I am never fed up, with (You(r Duality) as part of) Myself. On Earth, in the world of Form, of Woman, I have to reach the 'I-am-Fed-Up' point again and again.*

Rose to Azar - Friday 22 February 2008 6:12 PM

Dear Azar,

Thank you so much! You are so right and it hurts so much that I do this to you! I called and asked in the voicemail if you wanted to go to the forest with me and I realize, it was another trick to see you, to be with you. And yes, it's really easy to share this with your woman, Samaya, that I want to be with you. And it's also really easy to say this over the phone, or over e-mail. I WANT TO BE WITH YOU! I WANT TO LOVE YOU! I LOVE YOU SO MUCH and as I type this the tears are flowing, but I am so afraid you will say, Rose, you don't feel it! So you don't mean it! And all I can say is, I DO THAT, I DOOOOOOO!!!! Thank you for giving me everything back. I'm so happy about that and so sad about what I'm doing to you.

Later I called you again, and I wanted to say, I want to be with you now if I may! I'm so sorry it hurts you so much. I'm so sorry! I'm really very sorry. I'm so glad you're giving me this back. YES, I LOVE YOU VERY MUCH.

Rose

PS I want to radiate full of love for you, just like the radiation I saw in Amany, it was so beautiful!!!

Amany,

What's on your mind? Clear your throat, give it to me! If you feel my arrogance, say it, if you don't trust me, say it. I am getting sick of this game (that's also mine).

We don't have to email, chat or call each other to have a nice chat afterwards, I just want to have clarity about it.

Rose

Rose,

You want to have clarity about what? Better clear up your own throat first, obviously there is something regarding me that bothers you, and I'd appreciate if you just say what it is, instead of let me squeeze my mind what it might be about.

Amanya

PS I don't feel your arrogance for I, in the first place, look arrogantly at the world you are part of (it doesn't smell pure enough for my precious nose), but carried this burden all my life, so it's not something that started since I met you

Saturday, February 23, 2008 10:56 AM Rose - Amanya

I asked you in a previous email some time ago, if you could describe what you feel towards me! I told you that i felt jealousy at that time towards you. You never really were clear about your feelings towards me. And I am sure there is something, and I ask you to give it to me if you like. If you won't, then just keep it.

Rose

PS you feel too pure to be in an un-pure world!!!

Saturday 23 Feb 2008 12:37 – Amanya to Rose

I'm not clear myself in my feelings towards you, and it's confusing. I like you very much and I liked every time we've met (so when we were only us, women), but then I dislike (close to repulsion) the way you treat man, and it's not about Rose, it's about the way I see (and always did, and treating them accordingly) earthly woman and all her 'dirty' stuff (lies, manipulation, infidelity, toying with men, etc). And like this (from my own judgment) I can't fully become a woman myself, I keep sticking to the pure part, up in the heaven, where these ugly things don't exist, and from there I'm judging and disapproving earthly woman (you included) behaviour towards man. In the end (as Azar is showing me more and more) this not wanting to descend from my imperial throne and get down in the mud, is keeping me apart not only from woman, but also from man! (and it hurts like hell, but I'm still resisting it, a lot!).

So...it keeps me apart from the whole world, from Life Itself!! Right now I am living this resistance, I'm isolated, barely talking to people, not leaving the house, not meeting anyone...till I will explode one way or another.

And it's another thing (Azar said it's jealousy under it, but I'm not ready to see this, I'm too arrogant to (admit to) be jealous on an earthly woman, the 'species' I disapprove that much), I don't like/I'm concerned/it scares me the way Azar is behaving with you, like seeing each other a lot, or when we were all 3 of us at his place, and he was on his knees at your feet!!! I don't want to deal with this now (and didn't want to deal since it started), I don't dare to break my picture I have on the Man Almighty, I don't want to admit that Man is in Love with Woman, and not with purity (cause Purity He has, or Is, Already), I'm afraid I'm gonna lose Him and Man is my only life, my only reason to live (I don't have the 'comfort' of womanhood, since I'm staying apart from it). It's a big mess, all seems to crack around and in me, I don't know anything anymore, what I lived so far, my life as it was.... All I know is that I love Azar and I can't be with Him in the form I am now (and under it, I'm sure I am with Him, and all this resistance of mine became clear and came up to the surface only thanks to Him).

How easy it would be to blame you for all of these, that I can't be with Azar because you came in the picture, but I can't lie to that extent, I can't pretend not to be aware that it's only me, my resistance, my own wall that stays between me and Azar...it could have been any other woman instead of you, and the situation would have been probably the same, the same fear would have come up.

Fuck, while typing this email, I got even more confused: I can't say if I like you (I even love you in fact) from my woman place (as small as it is), or because Azar loves you...but then again it was that happening, when we were at Azar's, he was in the bathroom and we embraced on the floor and I could feel one being in two bodies...I don't know anymore, Rose, I'm confused, I need to cry now

February 23, 2008 13:14 PM Rose to Amany

Thank you so much, dear Amany,

Sounds strange, but I already felt what you type and I am so happy that you tell me.

I find you a really brave woman, just because you are where you are. You love Man a lot, it's shining all around you and I find it so beautiful. You are so beautiful, because you shine love for Man, Azar! And it's so brave that He IS your life! I am so jealous about that, because I want that too. I feel I want that too and I don't have the guts (yet). I find it so beautiful. You are so beautiful and even more, because you are sharing. YOU ARE A BEAUTIFUL WOMAN!!!

I know that I love you very much! I know that, and I am not confused about that. I know I love you and your purity, but I can also see the bitch, the beautiful bitch. I love you because you are totally in love with Man, Azar.

Thank you so much for sharing to me, Rose, who feels too good for everybody and puts herself above everybody, and is feeling ashamed because I am doing that all the time. I put myself above every one, so how arrogant is that!!!!!!

*Thank you again!
Rose*

February 23, 2008 13:18 PM Rose to Amany

Dear Amany,

And another thing, i am jealous because at least you feel it! You feel the resistance. Sometimes I really feel nothing! I try the coming days to isolate me more (but I felt a big pull towards you first) and go into this feeling, without speaking with people, staying in the house etc. Like you live lately. So I cry a lot, and feel I have to cry more. But thank you again for sharing.

Rose in isolation (trying to)!!!!!!

February 23, 2008 14:11 Amany to Rose

So in the end we're envying each other position...it would be funny if it wasn't so sad...chasing all the time what we imagine would be better to have, dreaming that once we have it all would be solved, wasting our lives in this sick marathon...and all of this only from the refusal to be ourselves, as we are...

As for my shining from love to Azar, that's another sad story...yeah, I might shine it to others a lot, maybe to everybody, I don't care... except to Azar, and this is so hurtful! I go at His place or talk to Him on phone cramped, tightly cramped, and so He has to send me home or cut the phone talk and then I cry for I couldn't (again!) let this love stream, and it's so much love that it is painful to keep it in...but it's even much more painful to realize that I'm more in love with myself for I stick with this cramp, hiding (from Azar) position...and I can only cry and cry, what else to do?!

23-2-2008 16.02 Rose to Amany

So we both cannot be with him at the moment?! How sad is that! Man is down here on earth, but we are not (in a way).

*AMANYA, COME DOWN FROM THAT THRONE and be the bitch you already are!!!!!!
Rose, stop telling others what to do and feel your own fucking sadness!*

(Wiseacre) Rose
